

Sexual and Reproductive Health of Adolescents and Youths in Korea: A Review of Literature and Projects 1990-2003 (A WPRO Publication)

This is one of the reviews on the literature and projects of sexual and reproductive health of adolescents and youths in eight Asian countries. This volume deals with adolescent reproductive health in the Republic of Korea. This report encompasses material and literature published by the government, nongovernmental organizations, and academic researchers. Demographic data, policies, and laws are also gathered from governmental websites related to adolescent health and education.
