

Slavery & the Underground Railroad in New Hampshire

New Hampshire was once a hotbed of abolitionist activity. But the state had its struggles with slavery, with Portsmouth serving as a slave-trade hub for New England. Abolitionists such as William Lloyd Garrison, Nathaniel Peabody Rogers and Stephen Symonds Foster helped create a statewide antislavery movement. Abolitionists and freed slaves assisted in transporting escapees to freedom via the Underground Railroad. Author Michelle Arnosky Sherburne uncovers the truth about slavery, the Underground Railroad and the abolitionist movement in New Hampshire.
