

## Slut!: Growing Up Female with a Bad Reputation

Leora Tanenbaums *Slut!* is a groundbreaking account of the lives of young women who stand up to the destructive power of namecalling, written by one of the rising young talents of journalism today. *Slut!* seamlessly weaves together three narrative threads: powerful oral histories of girls and women who tell us their stories and how they finally overcame sexual labeling, Leoras own story, and her cogent analysis of the underlying problem of sexual stereotyping.
