

TimeLiner Workshop for Teachers

Book Description Integrate time lines across the curriculum! Time lines have always been a popular, effective teaching tool. Now, with TimeLiner Workshop for Teachers and the TimeLiner software, you will be able to create time lines in no time. Includes activities and lessons from teachers and students across the country. Quickly and easily learn to: * Create multimedia time lines with graphics, movies, and sound * Display time lines as slide shows * Add Web links * And more!
