

Teaching Online: A Practical Guide

Teaching Online: A Practical Guide is an accessible, introductory, and comprehensive guide for anyone who teaches online. A leader in the online field, the fourth edition of this bestselling resource has been fully revised, maintains its reader friendly tone, and offers exceptional practical advice, new teaching examples, faculty interviews, and an updated resource section. New to this edition: new chapter on MOOCs (massive open online courses) and open educational resources expanded information on teaching with mobile devices discusses the implications of the Higher Education Opportunity Act for online faculty illustrates how Google Apps can be used for educational purposes Focusing on the hows and whys of implementation rather than theory, the fourth edition of Teaching Online is a must-have resource for anyone teaching online or thinking of teaching online.
