

## The Amazing New Zealand Facts Book

Prepare to be amazed! 50 incredible facts to make you shake your head in disbelief! New Zealand is a small country with big attractions. It offers amazing landscapes and is home to some weird and wonderful creatures. This well researched book presents some of the incredible facts that add to the mystique this fascinating country, isolated from the rest of the world, at the bottom of the vast Pacific Ocean, is known for. You will meet the worlds cleverest parrot, the worlds largest snail, the worlds heaviest insect that breathes through its knees! Theres a guy taken hostage over a Muppet song, a family that built a private tunnel through a cliff. Peter Jackson is not the only Kiwi to make Hollywood movies. There are three others. Visit a spring with the greatest force of water on the planet and also visit the worlds top tourist attraction. Then theres the worlds longest place name and the worlds steepest street. Meet the Black Cocks! Discover how many species of penguins live in the country. How about the child named Number 16 Bus Shelter (Honestly!) If you think thats crazy, wait till you discover some other names that have been registered. The amazing dolphins, Pelorus Jack and Opo have become famous for the assistance they gave to those who used the sea for work and recreation. Only New Zealand and the USA allow drugs to be advertised on television. Discover something unusual about the New Zealand Air Force. ....and theres so much more! New Zealand really is an amazing little country!
