

The America I Once Knew-Vanishing But Not Forgotten: A World War II Veteran Takes a Critical View of the Foibles of American Society

If you enjoy reading a perspective on life that can be only be obtained from a member of the Greatest Generation, you have selected the right book. Chuck Salm entertains you with a series of essays that will strike a responsive chord, not only with his peers, but also with patriotic Americans of all ages. Forget political correctness and apologies for the wayward and the incompetent in our society. Dont look for excuses that cover for our self-serving politicians. You may, at times, be offendedeven outraged. You may also be delighted, heartened and encouraged by knowing that someone out there thinks like you do and does not shy away from writing the very things you believe in. To be sure, you will be entertained every step of the way. Read on!
