

## Wines of New Zealand (Guide to New Zealand Wine)

Wine guides for the ultra curious, Approach Guides takes an in depth look at a wine regions grapes, appellations, and vintages to help you discover wines that meet your preferences. The wines of New Zealand are special, bridging the gap between the styles of the New and Old Worlds. While high quality, super-intense versions of sauvignon blanc afforded New Zealand international recognition, the wine landscape has quickly diversified and this guide gives what you need to tap into the countrys other rising stars: world-class pinot noirs, high quality red Bordeaux blends, and some up-and-coming alternative white varieties (gewurztraminer, riesling, and pinot gris). This Approach Guide is designed as a quick-reference resource for wine enthusiasts seeking to understand what makes these wines unique and make informed choices. Whats in this guidebook

- \* Grape varieties. We describe the primary red and white grape varieties. For each grape, we touch on its unique character in New Zealand and the areas in which it reaches its highest expression.
- \* Vintage ratings. Our straightforward vintage ratings table affords high-level insight into the best and most challenging years for wine production in New Zealand.
- \* A region-by-region review. Our detailed profiles of New Zealands wine-producing regions (Auckland), Canterbury, Central Otago, Gisborne, Hawkes Bay, the famed Marlborough, Nelson, Northland, Waikato-Bay of Plenty, Wairarapa, and the Waitaki Valley reveal the prevailing terroir, the types of wine produced, and what makes them distinctive.
- \* Recommendations. To help in your selection process, we have marked our favorite grape varieties and regions with asterisks (\*) look for this indication as a sign of quality, consistency and good value.
- \* A distinctive approach. This guidebooks approach is unique: rather than tell you what specific bottle of wine to

order by providing individual bottle reviews, it gives you the information you require to make informed wine choices on any list. \* Information the way you like it. As with all of our guides, this book is optimized for intuitive, quick navigation; information is organized into bullet points to make absorption easy; trademark features of grapes and denominations are front and center. FREE UPDATES Approach Guides often updates content and releases new editions of its guidebooks. These updates are FREE for existing customers. Please visit <http://approachguides.com/updates> for a list of recently updated guides and instructions on downloading the new version. PRAISE FOR APPROACH GUIDES Compulsive (and compulsively informed) travelers, the Raezers are the masterminds behind the downloadable Approach Guides, which are filled with a university course-worth of history and insights for 62 destinations worldwide. WHY WE LOVE IT: The Raezers share our desire for deep, well-researched information on the wonders of the world. - Travel + Leisure What started as one couples travel notes aimed at filling in the gaps in guidebooks has become ApproachGuides.com - a menu of downloadable travel guides that cover cultural and historical topics of interest to thoughtful travelers. Whats hot: Bite-sized travel guides that specialize in topics ranging from 29 pages on the foods of Italy to one that helps you explore the historical and architectural significance of Angkors famous temple structures in Cambodia. - LA Times
