Blue Tits in the Arctic: An irreverent true tale of Britains most energetic boss chasing Killer Whales around The Norwegian Fjords with his reluctant ... Adventures of a Reality TV Addict) (Volume 1)

This is the irreverent, almost totally true tale of a couples adventure on a sail boat in The Norwegian Fjords. Stunning descriptions of a magical landscape form the backdrop to an unimaginably funny sequence of events. Fascinating, unique characters introduce a very ordinary couch potato to a world of whale hunting, bird watching and Arctic plumbing. Read and relive Annes experiences. Watch her defeat illness and overcome the trials of an Arctic climate by channeling her heroines from reality TV. Blue Tits in The Arctic is a raucous, speed read that will leave you breathless, intrigued and charmed. PLEASE NOTE 50% PROFITS GO TO AGE UK
