

The Rough Guide to Argentina (Rough Guides)

The Rough Guide to Argentina is the definitive guide to this staggeringly diverse country. This updated fourth edition will effortlessly guide you through the country with in-depth coverage on eating and drinking, accommodation and transportation, plus the clearest maps available of any guide. The introductory full-colour section introduces Argentinas highlights from the sparkling emeralds and turquoise waters of the seven lakes, to climbing Acongagua and dolphin-spotting at Puerto Deseado. All areas are covered; from cosmopolitan Buenos Aires to the remote Argentine archipelago of Tierra del Fuego. The Rough Guide to Argentina also includes informed descriptions of the countrys varied landscapes, from the pampas to Patagonia, plus practical advice on the best places for hiking, climbing, ski and rafting. Finally, the guide explores the countrys rich history and culture; including detailed information on everything from the ascendancy of Eva Peron to its Jesuit architecture. Make the most of your time with The Rough Guide to Argentina.
