

Cruising the Eastern Caribbean: A Guide to the Ships & Ports of Call

This book offers comprehensive coverage of vessels that cruise the region and what they offer--service, cabin details, amenities, passenger/crew ratio, dining options and itineraries. The guide covers: Antigua, St. Lucia, Barbados, Dominica, Grenada, Puerto Rico, St. Martin, Guadeloupe, St. Thomas & Martinique. The author tells you how to get the most out of your 8-10 hours in each port the ships will be calling on. Information covered includes taxi tours, where to find the best shops, tour operators who are familiar with the ships schedules and will get you back to your ship on time. For most ports, suggested walking tours are detailed, and out-of-town attractions are described as well.
