

# Bullied: What Every Parent, Teacher, and Kid Needs to Know About Ending the Cycle of Fear

The mother of a bullied first grader, popular blogger Carrie Goldmans inspiring true story triggered an outpouring of support from online communities around the world. In Bullied, she gives us a guide to the crucial lessons and actionable guidance shes learned about how to stop bullying before it starts. It is a book born from Goldmans post about the ridicule her daughter suffered for bringing a Star Wars thermos to schoola story that went viral on Facebook and Twitter before exploding everywhere, from CNN.com and Yahoo.com to sites all around the world. Written in Goldmans warm, engaging style, Bullied is an important and very necessary read for parents, educators, self-professed Girl Geeks, or anyone who has ever felt victimized by a bully, online or in person.
