

The Rough Guide to Colombia (Rough Guide to...)

Brand new for 2015, The Rough Guide to Colombia provides in-depth, expert coverage of one of South America's fastest-growing destinations. Get the lowdown on street art in Bogota and colonial architecture in Cartagena, stay on a working finca in the emerald green hills of the Zona Cafetera or hike through pristine jungle to reach a remote white sand beach in Tayrona National Park. Packed full of practical information on getting around and where to stay and eat, The Rough Guide to Colombia has more than 50 full-colour maps, along with suggested itineraries and regional highlights. The Rough Guide to Colombia authors have explored the mysterious tombs of Tierradentro, been white-water rafting in San Gil, trekked to Ciudad Perdida, the lost city of the Indigenous Tairona, and soaked up salsa in Cali and Barranquilla so you can too. Or follow in the footsteps of Gabriel Garcia Marquez, dive in Caribbean reefs off Providencia and motor along jungle-smothered waterways in the Amazon. Make the most of your trip with The Rough Guide to Colombia.
