

Europe by Eurail 2014: Touring Europe by Train

Europe by Eurail has been the train travelers one-stop source for visiting Europe's cities and countries by rail for more than thirty years. Newly revised and updated, this comprehensive guide provides the latest information on fares, schedules, and pass options, as well as detailed information on more than one hundred specific rail excursions. Inside is all the information you need to visit historic cities, romantic villages, and scenic hamlets on more than ninety rail trips starting from your choice of twenty-eight base cities located in twenty countries. Three sample rail-tour itineraries combine several base cities and day excursions into fifteen-day rail-tour packages complete with hotel recommendations and sightseeing options. Packed with practical information, step-by-step directions and advice on where to go and what to see and do, and complemented by the inclusion of twenty maps, this book takes the puzzle out of European Rail Travel.
